Viro Doctissimo, Musicoq: excellentissimo, amico suo exoptatissimo,

Dn. Nicolao Gottschovv.

Sunt qui snavisonos, sed cassos arte modorum; Sunt qui relictà suavitate.

Artem duntaxat, sunt qui sectantur utramq;,
Qui suavitate & arte mirâ

Percondita mele patiuntur cernere lucem: Sed Pegaso à volucriore.

Pollutæ mentis Victi, dum turpia dicta-Eîs applicant, dia haut videbunt.

Quos aliquam multis parasangis noster Hymnodos
Doctissimus post se relinquit.

Ejus enim cantus mirâ arte, tenore suavi,

Et applicatione textus,

Ambiguum faciunt Coryphæo cuique trophæum, Subesse credo nomini omen.

Namque suo vincit populum modulamine quemqs:
Insigniores Musicorum

Vincit, flectit item tristem lætumque popellum.

Subesse credo nomini omen.

Nam plures cantus conventus cernere possunt

Tantummodò profaniores.

Sed cantus GOTTSCHOVV conventus cernere possunt Deo potenti consecratos.

Perge ita voce pia, suavi, doctaq; Jehovam

Laudare, NICOLAE GOTTSCHOW:

Sic vinces populum, sic Musica in arte Magistros, Sic jugiter Deum videbis.
